### **FRANCISCO PARTNERS MANAGEMENT, L.P.**

#### Introduction

Your privacy is important to Francisco Partners Management, L.P. and its affiliates (together, “our”, “us”, “we” or “**Francisco Partners**”). To better protect your privacy, we are providing information explaining our online information practices.

Information regarding how you access this website and investor reporting portals, as applicable (collectively, the “**Website**”) (e.g., browser type, access times, and Internet Protocol (“**IP**”) address) and your hardware and software is automatically collected through the use of cookies or other technologies or tools. This information is used to improve our Website performance and for Francisco Partners’ business purposes. Information about how we use cookies, and how you can manage your settings, is set out below.

#### Website Privacy Policy

Please refer to our [Website Privacy Policy](#) for further details regarding our online information practices.

#### What are Cookies

A cookie is a small text file placed on your device or computer that can be used to identify the user or device and to collect data. The text often consists of a string of numbers and letters that uniquely identifies your computer, although it may contain other information as well. Cookies allow web applications to respond to you as an individual. If you want to learn more about cookies, you can visit [www.allaboutcookies.org](http://www.allaboutcookies.org).

#### Managing Cookies

You can choose to accept or decline cookies. You can also visit the “options” or “preferences” menu on your browser to change cookie settings at any time. You can check the following links for more browser specific information: [Edge](#), [Google Chrome](#), [Firefox](#) or [Safari](#). If you opt-out of certain cookies, you may not be able to access certain parts of this Website.

#### What We Use Cookies For

We use the following categories of cookies:

1. Analytics Cookies: These cookies collect information about how you use our Website and are used to improve how our Website works. This information may include details relating to the user’s device or internet browser, or traffic log data to identify which pages are being used. These cookies are used to help us analyse web page traffic, optimise the Website and make it more user-friendly.
2. Strictly Necessary Cookies: These cookies are essential to enable you to move around our Website and use its features. Without these cookies, we may not be able to provide certain services you have requested.
